

# AFTERMARKET PARTS, INC.

**Need parts? MAC Trailer's got your parts.**

The MAC Trailer Aftermarket Parts Department provides full turnkey service for all your captive Trailers and Tank Trailer needs. Not a MAC? We still have what you need regardless of Make or Model with parts fully stocked in an additional state of the art 30,000 sq ft warehouse! Immediate delivery on many major componentry including suspensions, moving floors, hoists, wheels, wet kits, hardware, lights, boxes, bulkheads and a wide range of dry and liquid tank trailer parts. Most parts can be shipped the same day as ordered or we can package your parts order in your new or used trailer before it leaves the MAC plant.

**Special orders or need parts for another make trailer?**

***NO Problem! We have you covered!***
