

## MAC TRAILER ENTERPRISES HIGHLIGHT WASTE SOLUTIONS AT WASTE EXPO 2025

**Alliance, Ohio — April 2025** — MAC Trailer Enterprises will return to **Waste Expo, May 6–8, 2025**, at the Las Vegas Convention Center. As a long-standing member of the National Waste & Recycling Association and a consistent supporter of the industry, MAC Trailer will be located at Booth #1842, where they will feature the **TipperMax™ Transfer Trailer, an aluminum drop center tipper trailer** with a 140+ cubic yard capacity, manufactured for Sustainable Trailer LLC, and a **Compactor Moving Floor Transfer Trailer**, manufactured for Bruin Waste.

MAC Trailer's team of product experts, including Matt Simmons, Director of Waste Products, will be available throughout the event to discuss the company's lineup of waste solutions and answer questions on-site. "The TipperMax trailer continues to generate strong interest across the country, and Waste Expo provides an ideal opportunity to showcase its capabilities to a wider audience," said Simmons. "Our focus remains on developing products that meet the practical demands of the waste industry while continuing to innovate with our customers in mind."

In addition to highlighting its product advancements, MAC Trailer will reinforce the strength of its nationwide dealer network and its commitment to long-term customer partnerships. "MAC Trailer's dealer network is one of our greatest strengths, providing customers with dependable local support and access to a full range of products and services," said Bill McKenzie, President of Sales. "As market demand remains strong, MAC Trailer is positioned to help our customers grow through reliable manufacturing, industry expertise, and a customer-driven approach."

### About MAC Trailer Enterprises

MAC Trailer Enterprises is a leading manufacturer of dump, flatbed, pneumatic tank, transfer, and straight truck dump bodies, as well as petroleum and liquid tank trailers, serving a wide range of industries including waste and recycling. Headquarters in Alliance, Ohio, with multiple manufacturing and service locations across North America, MAC Trailer is committed to innovation, quality, and customer success.
